

Integrative Holistic Posology in Acutes

Based on whether a person's predominant spontaneous level of experience at present is:

GENERAL & HOLISTIC

Select from 30C-CM potencies, depending on his level of experience.

30C: Fact / Name of disease

200C: Emotion / situation

1M: Delusion / PQRS / individualistic symptoms

10M: A clear holistic theme / sensation runs through the mind and body.

50M: Clear holistic theme / sensation runs through the mind and body at NON-VERBAL level, with energy pattern.

CM: Clear holistic theme with SINGLE SOURCE emerging either verbally or non-verbally.

MM: The person experiences the whole energy of a single source pattern and also witnesses his experience from a third-person perspective.

LOCAL, in a part only

Select from MT-12C potencies, depending on his level of experience.

MT: Fact / Name of disease

1 - 3C: Symptoms

4 - 6C: Feeling

7 - 9C: Delusion

10 - 12C: Sensation, with energy pointing to the source.

in **SPECIAL CASES**, when the person has underlying deep and irreversible pathology,

Select from LM potencies to avoid aggravation, depending on his level of experience.

LM 1 - 3: Fact / Name of disease

LM 4 - 6: Emotion / situation

LM 7 - 9: Delusion

LM 10 - 12: Sensation / energy / source
